

Gregory Corea for Alameda County Area Representative

In this new decade, I believe it is time for our union to move forward, driven by the needs and voices of its members. I will work to return SEIU 1021 to the commitment of strengthening our members, families, and community for the betterment of all workers. If elected, I will serve the members of 1021 to the best of my abilities.

I have been an active member of SEIU for over 15 years. I'm a member of 1021 Schools Industry Council, Chapter Secretary of Chabot Las Positas College District, and also a Steward at my worksite. I have also worked on our bylaws committee. Please visit www.change1021.org for more information about the other candidates I am running with and the vision we share for our Local Members, now is the time to vote for Change. Thank you for your support.

In Solidarity,

Gregory L. Corea
