

Jacqueline Sowers for San Francisco County Area Representative

Happy New Year SEIU 1021!

I have been a health care provider, working for Non-Profit agencies and then for the City and County of San Francisco as a 2931 Marriage and Family Counselor at SFGH. I am a Shop Steward and I am part of the slate CHANGE 1021 to improve SEIU members' representation.

Change 1021 will fight for our health care programs in San Francisco, such as STOPPING the deskilling, NO more clinic closures, NO more making deals with the City officials without all members input, STOPPING the layoffs at the Hospitals and Clinics. I can and will be that someone who is not afraid to speak up and work for CHANGE in OUR UNION. I don't know about you, but I am sick and tired of the lack of support from our elected officials.

Let's stand together and make that Change. Please vote for me to help get Change started. With your vote we can and will make big CHANGES in OUR UNION. Please visit www.change1021.org
