

Mary Jane Logan for the Budget & Finance Committee Alameda County

The Local's monetary resources are the members' dues money. I will ensure responsible oversight of the budget and make wise decisions about the expenditures of the Local. I understand and I keep in mind that the need for transparency in the Local's finances is an enormous responsibility and my past experience qualifies me for this position.

I held the position of Senior Trustee for 6 years with a former Legacy Local. My fiduciary responsibilities were to review and approve the Local's expenditures, including but not limited to overseeing the Local's investment portfolio, credit card charges, travel requests and reimbursements. As a Senior Trustee I established expenditure and lost time policies and procedures and worked with the Treasurer on the Local's annual budget. I have been a classified employee with Peralta Community College District for 40 years, as well as an activist in SEIU. I am an active member of the SEIU 1021 Schools Industry Council and am currently Vice President of the Peralta Chapter.

PLEASE VOTE FOR ME TO CHANGE 1021. Visit www.change1021.org for more information.
