

Mynette Theard for Schools Industry Chair

Schools and community colleges have not been a priority for SEIU International. For the 10,000 schools/college members that SEIU 1021 represents, we need a greater focus on advocating for urban education funding on both the state and federal levels, and for ongoing technological training for our classified members.

I have been an Oakland Unified School District employee for 36 years. Currently, I am President of the OSEA/OCDPA Chapter. For the past 3 years, I have been the Co-Chair of the Schools Industry for SEIU Local 1021. During that time, we have had three successful conferences for our school and community college members. As the Co-Chair of the Schools Industry I have been involved in organizing our members and leaders to rally and march in Sacramento, and to testify before the state legislature against trusteeships and budget cuts to our K-12 and community colleges.

My intent is to be the voice for our classified members in bridging the gap between SEIU 1021 and the International. I AM ASKING FOR YOUR VOTE. Please go to www.change1021.org to see the other candidates I am running with.
