

Renita Terry for Cities Industry Chair

During our three year transition, I have not only seen, but felt the loss of a member-driven Union. I have worked and will continue to work diligently to restore strength and power for our members and their rights. Being a city worker gives me a lot of insight into the issues we face daily as well in negotiations. It would be a privilege to carry the tasks of assuring the voices of City Workers are heard, staffing needs are met, and we have all resources to accomplish our goals.

I have been an active union member for 21 years. I am currently serving my second term as Chief Steward of my Chapter. I have also held the positions of Recording Secretary/Treasurer, and member of the Negotiations Team. My involvement extended to the Local level as a Delegate of the Members Advisory Committee and, on occasion, I have attended other committee meetings

I strongly invite you to visit Change 1021's website www.Change1021.org and view the slate of candidates I am running with. In Solidarity, Renita Terry
